

LONG-RANGE NEEDS ASSESSMENT

School districts also need to develop a process for long-range needs assessment. The process needs to include three items.

provisions for collecting, analyzing and reporting information derived from local, state and national sources;

provisions for reviewing information acquired on the following:

- state indicators and other locally determined indicators,
- locally established student learning goals,
- specific data collection required by state and federal programs;

provisions for collecting and analyzing assessment data on the following:

- state indicators,
- locally determined indicators,
- locally established student learning goals.
