North Mahaska students attending school-sponsored events away from school are required to ride the transportation provided by the district to the event and back to the high school. There are some exceptions to the rule:

1. Students may ride home from the event with a parent/guardian providing the parent/guardian signs the approved form in the presence of the sponsor.
2. Students may be excused from riding to an event in school provided transportation in special circumstances only by the principal/superintendent. For example: occasionally a student participates in 2 different school events on the same day. The school will make every effort to transport the student(s) using school transportation the student(s) to the second event. If school transportation cannot be arranged, parents may be given permission to transport their child.
3. Parents may designate the sign out authority to grandparents, another participant's parents or grandparents. This sign out authority can only be granted to parents and grandparents. It cannot be granted to siblings, friends, etc.

Parents may designate those parents or grandparents who may sign out their child at away events by completing the form below. This form must be returned to the principal's office before anyone other than a parent can sign out a child. This authorization will be in effect for the current school year. Parents may change those who are authorized to sign out their child by coming into the school office. If this form is not returned, then only parents will be allowed to sign out their child.

REVISIONS FOR THE CODE OF CONDUCT

Mere Presence Rule: There are times when students find themselves in an environment where minors are consuming prohibited substances. It is up to the individual to leave the event. The student must call a parent or an adult within 15 minutes of arriving to come and get them. The student must try to stay away from the illegal activity while waiting for a ride. If law enforcement arrives at the party and they have no alcohol in their system we will check their cell phones to see when and if they called to leave the event. If they are there and have made no attempt to call and leave, they will be considered in violation of the code of conduct and will be punished accordingly.

The penalties will be enforced for all activities.

FFA and National Honor Society have their own rules and regulations. These 2 groups will self discipline.

FFA students will follow student rules. If any student is in violation before state or national conventions, they will not be eligible to participate.

All School Play/Musical

For this activity any violation will result in 15 hours of community service. The play season begins when official rehearsals begin.

This penalty does not absolve the student from activities side of the code. It will be followed according to how it is written with penalties for the in season activity.

Added to the rules part:

Any behavior or action not specifically mentioned above and the administration feels is in violation of the code will be handled on a case by case situation.
