

July 19, 2018

Dear North Mahaska 7th Grade Parents,

With our ever-expanding use of technology, students are producing an increasing number of documents and projects that require electronic backup and storage. Students must have the ability to send and receive messages from their teachers and North Mahaska Administration.

At the beginning of the 2018-2019 School year, North Mahaska transitioned to Google Apps for Education. The Mail address format will be: lastnamefirstname@nmwarhawks.org. Once the Gmail Account Permission form is received, we will activate the Email account to receive Emails from outside the nmwarhwks.org domain.

Google requires parental permission to set up an account for anyone 12 years and younger. Therefore, we are asking your permission for us to set up a Google account for your child.

Please indicate your permission for your child to set up a Good Email by signing the bottom of this letter and returning it to school.

Thank you.

Doug Ray
Jr./Sr. High School Principal

My child _____ has my permission to set up a Gmail account.
