

JH/HS Supply List 2021-2022

All JH/HS Students:

- Pencils
- Pens
- Pencil/Pouch
- Binder or Accordion-style folder/organizer

*You will notice several courses indicate the need for a folder. If you utilize an accordion-style folder/organizer, that will fulfill the need for multiple folders.

*All JH students will be given a planner to help with organization. These will be also available for any 9-12 student who would like one as well. If you would like a planner, please check with the Jr/Sr High office. All students are encouraged to develop a way of organizing and keeping track of assignments/due dates.

**Please consider donating kleenex & Clorox wipes to your student's homeroom/advisor.*
