**ARTICLE I
GRIEVANCE PROCEDURE**

A. Definition

A "grievance" is a claim or dispute concerning the interpretation or application of the terms of this agreement.

B. Procedures

1. Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures.
2. The failure of an employee (or, in the event of an appeal to arbitration the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and any administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the instructional program and related work activities of the grieving employee or of other employees. The administration shall determine whether interference has occurred under this paragraph. The Board may waive these time limits during non-student contact time.
4. At any step, the grievant may be represented, at his/her request, by the Association or another representative, but the grievant(s) must also be present at the proceedings.
5. In the event a grievance is filed at such time that it cannot be processed through all the steps in the grievance procedure by the end of the school year, and if leaving it unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) calendar days thereafter.

a. Procedural Steps

(1) First Step

An attempt shall be made to resolve any grievances in informal discussion between the grievant and the principal or a designated representative. The grievant shall make it clear in this discussion that he/she is alleging a possible violation of the Agreement and shall state the specific clause or clauses of the Agreement allegedly violated, and shall state the remedy requested.

(2) Second Step

If the grievance cannot be resolved informally, the employee shall file the grievance in writing, and at a mutually agreeable time, discuss the matter with the principal or designated representative. The written grievance shall state the nature of the grievance,

shall note the specific clause or clauses of the Agreement allegedly violated, and shall state the remedy requested. The filing of the formal, written grievance at the Second Step must be within ten (10) working days from the date of the occurrence or first knowledge of the event giving rise to the grievance. The Principal or the designee shall make a decision on the grievance and communicate it in writing to the employee and the Superintendent within ten (10) working days after receipt of the grievance. In the event the principal schedules a meeting with the grievant, he/she shall have five (5) working days after the meeting to render a decision.

(3) Third Step

In the event a grievance has not been satisfactorily resolved at the Second Step, the grievant shall file within five (5) working days of the written decision at the Second Step, a copy of the grievance with the Superintendent. Within ten (10) working days after such written grievance is filed, the aggrieved and the Superintendent or a designee, other than the principal involved in the Second Step, shall meet to resolve the grievance. The Superintendent or the designee shall file an answer within ten (10) working days of the Third Step grievance meeting and communicate it in writing to the grievant.

(4) Fourth Step

If the grievance is not resolved satisfactorily at Step Three, there shall be available a Fourth Step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee to the Superintendent within fifteen (15) days from the receipt of the Step Three answer to enter into arbitration. An employee filed grievance may proceed to arbitration only with the approval of the Association. The association may carry an employee's grievance to arbitration only with the approval of the employee.

The arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties within five (5) working days after said notice is given. If the two parties fail to reach an agreement on an arbitrator within five (5) working days, the Federal Mediation and Conciliation Service (FMCS) shall be requested to provide a panel of five (5) arbitrators. This request shall be in the form of a written communication from the grievant or the Association which shall serve as a joint request. The parties shall determine by coin toss which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) working days and the other party shall have one (1) additional working day to remove one of the remaining names. Each party shall alternately strike one (1) name. The person whose name remains shall be the arbitrator.

The arbitrator's decision shall be submitted in writing within twenty (20) days of the hearing or the submission of briefs and shall set forth his/her findings, reasons and conclusions on the issues submitted. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the Agreement. No decision of the arbitrator shall in any way be in derogation of the powers, duties and rights established in the Board by constitutional provisions, statutes, ordinance or special legislative acts.

Each party shall bear its own cost and expense of the arbitration proceedings, excluding the fee of the arbitrator, which shall be shared equally by the Employer and the grievant and or his/her representative.
