Nutrition Fund Balance

The Nutrition Program is an individual student lunch account. Please keep money in your child/children's account. Lunch account deposits must be made before 9:00 a.m. to be credited for that day. Parents need to keep track of student's lunch accounts and keep them from going too far in debt. Payment arrangements must be made or payment in full if any account gets to a negative \$6.00. You may call the school at any time to find out your lunch balance. Parents/Guardians that have access to the internet can at any time look up their child/children's account on PowerLunch.
