Please track your student's meal balance regularly. Payment arrangements must be made or payment made in full if a student's lunch account falls below -\$5.00. Please note that balances carry over from year to year. Students who have a negative balance will not be allowed to purchase additional milk beyond the milk they receive with their school lunch. Parents/guardians may call the school to find out your lunch balance during business hours or use Power School to access their student's lunch balance at any time.
